

Subject: Call for Participants for the "2016 Korean National Commission for UNESCO – KIA International Workcamp"

18 – 30 July 2016
Muan, Republic of Korea

Dear Secretary-General,

It is my great pleasure to inform you that the Korean National Commission for UNESCO (KNCU) is organizing a 2016 International Workcamp with financial support from KIA Motors under the theme of ‘Land of Life, Muan Tidal Flats’. The workcamp will be held between 18 and 30 July in Muan-gun in the Republic of Korea.

KNCU’s international workcamp programme was launched in 1966 in order to provide an opportunity for young people to share ideas and knowledge, as well as to work together while acquiring hands-on experience relating to the sustainable development of local communities. It has enriched the lives of approximately 5,000 young people from over 90 nations and has strengthened solidarity for peace among youth.

In this regard, it is my great honour to invite one representative from your country to attend this year’s event in Muan. We welcome applicants between 19 and 30 years of age who are enthusiastic and actively involved in volunteering activities. All participants will be reimbursed for the cost of an economy class flight ticket to attend the workcamp, and will be provided with food and accommodation during the period of the workcamp.

I would appreciate your kind assistance in **recommending one candidate** from your country by **no later than 27 May 2016**. The selection will be based on fulfilment of the criteria mentioned above as well as diversity among candidates and gender balance.

The selected participants will receive an official invitation letter, containing more detailed information about the workcamp, by 3 June 2016. For further information, please find attached a general information document about the workcamp, along with the application form.

Thank you in advance for your kind consideration. I look forward to hearing from you in relation to your candidate recommendation.
